

Help Your Local Techies “Hack KC” at the National Day of Civic Hacking!

A SPONSORSHIP OPPORTUNITY FOR INNOVATIVE FIRMS. LEARN MORE AT HACK-KC.ORG

Organized by KC Digital Drive and Code for KC, our local **NATIONAL DAY OF CIVIC HACKING** is bringing together coders and civic activists for a weekend of programming for a better community, **June 4-5, 2016**, at the UMKC School of Law.

Popularized by **Code for America**, this hackathon-style event is designed to build **new solutions** using **publicly-released data, cutting-edge technology, and advanced design processes** to improve communities.

In Kansas City, we expect 50-60 hackers working on projects that will benefit:

Public Safety – Health – Energy Efficiency – Zoning & Development Laws – Business Creation Regulation – Transportation – Education – Democracy – Infrastructure – Housing – Historic Preservation

How Can You Support?

We encourage your company or non-profit to get involved in one of the following ways:

- **Sponsor the event (prices below):** Sponsoring our hackathon with a donation will bring exposure to your brand as an innovative, forward-thinking leader in the tech industry.
- **Contribute a team:** If your company has tech-savvy employees willing to give their time and talent, send them to come hack with us!
- **Give us stuff:** Got the hookup on food, drinks, T-shirts, or cool toys to give out? Hackers love free stuff!
